Subject: Device Approval Letter for Rad Star Alpha Model 310, 516, and 830
Continuous Radon Monitors

Dear Mr. Naggar,

Pursuant to 420 ILCS 44 Section 27, the Illinois Emergency Management Agency (IEMA) is responsible for approval of radon sampling and measurement devices for use in the State of Illinois. The IEMA Radon Program has completed the review of the information provided by Spruce Environmental (AccuStar) for the device evaluation of the RadStar Alpha 310, 516, and 830 Continuous Radon Monitor. The Agency is pleased to report that the RadStar Alpha Model 310, 516, and 820 are all approved for use in the State of Illinois as a Continuous Radon Monitor (CR).

Thank you for your patience and support during our review. If you have any questions, please feel free to contact me directly at (217) 785-9889 or Melinda.Lewis@illinois.gov.

Sincerely,

Melinda Lewis
